Tools Needed

CF™ Includes Constant Force™ Technology

 **Warning:** Because mounting surface materials can vary widely, it is imperative that you make sure mounting surface is strong enough to handle mounted product and equipment.

 WARNING	 <small>828-100</small>
PINCH POINT DO NOT place hands on or near support bars. Pinch points are created during lifting and lowering the worksurface. Failure to follow these instructions may result in serious personal injury.	

Warning: Impact Hazard! Moving Parts can Crush and Cut.
Raise this product to its full up position before lifting off the desk.
Two people are required to lift this product off the desk.
Do not tip this product on its side or upside down. This product must remain upright at all times.
Failure to heed this warning may cause unintended motion of the lift mechanism resulting in possible serious personal injury and or property damage!

Warning: Impact Hazard! Moving Parts can Crush and Cut.
Raise worksurface to top of vertical adjustment **BEFORE** removing equipment.
Failure to heed this warning may result in serious personal injury and or property damage!

Caution:
To avoid the potential to pinch cables it is important to follow the cable routing instructions in this manual. Failure to follow these instructions may result in equipment damage or personal injury.

Caution:
Leave enough slack in cable to allow for full range of vertical motion (15" / 38 cm). Failure to heed this warning may result in property damage and or personal injury.

Caution:
Keep monitor and laptop base fully on the worksurface. Allowing any part of base or stand to hang off the edge may result in property damage and or personal injury.

Caution:
Raise worksurface slowly. Raising worksurface too fast may create an unstable situation resulting in property damage and or personal injury.
