ASSEMBLY STEP 1

Please take the Yo-Yo Desk out of the packaging, and place it on your table/desk.

Please place the Yo-Yo Desk on a surface suitable to hold the entire base of the Yo-Yo Desk otherwise you may cause damage when operating the Yo-Yo Desk.
ASSEMBLY STEP 2

A  Attach the Yo-Yo Desk Side Cap to the connecting arm.
B  Use the 8 screws provided to attach the Keyboard Tray Brackets to the Keyboard Tray using a Philips Screwdriver.
C,D  Hang the Keyboard Tray Brackets on the Rotating Bracket Holders provided, and then tighten.

⚠️ CAUTION

When attaching Brackets to Tray, avoid excessive screwdriver force. Excessive force may result in reduced screw grip & make the Keyboard Tray defective.
ASSEMBLY STEP 3

Adjust the desk to your appropriate sitting/standing heights, by **LIFTING BOTH LEVERS** (on right & left sides) **SIMULTANEOUSLY**.

---

**CAUTION**

Please don’t place your hands on the supporting bars, as they move during adjustment, and may cause injury.
ASSEMBLY STEP 4

Please put your equipment on top of the Yo-Yo Desk.

CAUTION

Please make sure that all equipment is fully on top of the Yo-Yo Desk. It should not hang over the edges, as this may result in a fall and cause harm/get damaged.
ASSEMBLY STEP 5

The Cable Tie uses velcro adhesive, making it easy for you to tidy your cables.

CAUTION

When using the adhesive Cable Ties, make sure that you leave enough length in the cable to allow for the full range of height adjustment, otherwise your equipment may get damaged.
Please don’t put your hands on the supporting bars, as they move during adjustment and may cause injury.

Please make sure that all equipment is fully on top of the Yo-Yo Desk, not hanging over the edges, as it may fall and cause harm/get damaged.

When using the adhesive Cable Ties, make sure that you leave enough length in the cable to allow for the full range of height adjustment, otherwise your equipment may get damaged.

When first using your desk, please carefully set it to its maximum height, to check that you can raise the desk without causing damage to your equipment or yourself.

Please ask someone to assist you when lifting the desk to prevent causing harm or injury.
